

Internship Opportunity

PROGRAM OVERVIEW

Cholla Medical Group, Inc. is proud to announce five (5) Internship positions through our medical group. A unique opportunity for medical Doctors introducing skills and experiences necessary to succeed in the challenging health care environment of tomorrow. This is a program that is designed to prepare medical doctors for residency by providing the opportunity to have hands on experience up to twelve months. Our practice will introduce those selected to accompany Family Medicine physicians, and/or residents, on their rounds. A full introduction to the ever-expanding geriatric care will include exposure to additional learning experiences in innovative procedures and practices in Assisted Living Facilities.

PROGRAM BENEFITS

In addition to a unique clinical experience combined with a look at fulfilling medical residency, Cholla Medical Group, Inc. will provide transportation to and from the experience and assistance in securing lodging, and a well-crafted reference letter to the Residency Board. While designed as a twelve-month program, duration can vary and benefits are prorated accordingly.

EXTERNSHIP LOCATIONS & DATES

PROGRAM OVERVIEW

Cholla Medical Group, Inc. is proud to announce that we now offer Internship program through our medical practice. A unique opportunity for medical Doctors introducing skills and experiences necessary to succeed in the challenging health care environment of tomorrow. This is a program that is designed to prepare medical doctors for residency by providing the opportunity to have hands on experience up to twelve months. Our practice will introduce those selected to accompany our physicians, and/or residents, on their rounds. A full introduction to the ever-expanding elder care will include exposure to additional learning experiences in innovative procedures and practices in Assisted Living Facilities. Provide clinical care and documentation of patients. The student participates in scheduled weekly staff meetings offered by Cholla Medical Group for round table discussions. Internships are a minimum of (6) six months, preferably (12) twelve months in length. At the end of each Internship period, student will receive a well-crafted professional letter of recommendation for their residency.

PROGRAM BENEFITS

In addition to a unique clinical experience combined with a look at fulfilling medical residency, Cholla Medical Group, Inc. will provide transportation to and from the experience and a well-crafted reference letter to the Residency Board. While designed as a twelve-month program, duration can vary and benefits are prorated accordingly.
